

**UNITED HEBREW CONGREGATION**

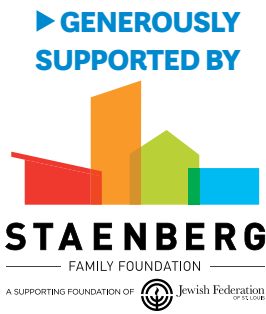

United Hebrew Congregation's Purim Project helped to fulfill the mitzvah of mishloach manot. Congregants were able to purchase boxes for one another as well as for non-member friends and family. United Hebrew was also able to share the joy of celebrating Purim with friends at St. Louis Children's Hospital. Saul Spielberg Early Childhood Center students decorated cards with a brief explanation of the holiday, and they were packed in boxes full of treats, including hamantaschen. United Hebrew delivered 200 bags on Feb. 24 to be shared through the Ronald McDonald Family Room. Below, H. Lee Rosenberg, Director of Secondary Education and Engagement, makes a delivery.
